

Stray Dogs Adventure Travel with a Purpose

Have you ever dreamed of climbing Mount Kilimanjaro and going on an African safari... maybe followed by a tropical vacation... all raising money for charity?

Well, what are you waiting for?

Kilimanjaro/Safari Benefit Expedition June 12 to June 27, 2006 Optional Zanzibar Extension: June 27 to July 1, 2006

The mission of the Stray Dogs Adventure Travel with a Purpose is to provide financial support to the Religious Teachers Filippini, a group of Sisters that promote the dignity of women and children by providing an education. We provide this support by donating the profits from adventure travel packages organized for active, generous, and charitable people like you!!

CLIMB KILIMANJARO AND GO ON SAFARI.

Join the **Stray Dogs Adventure Travel on our Kilimanjaro/Safari Benefit Expedition in June 2006**. The climb of Mount Kilimanjaro will be guided by ultra-athlete Marshall Ulrich of Idaho Springs, Colorado who is approximately the 100th person in world to complete the Seven Summits – climbing the highest peak on each continent, *all on first attempts*. After climbing the mountain, join us for African wildlife safari.

YOU DON'T NEED TO BE A MOUNTAINEER TO JOIN US!

The **Kilimanjaro/Safari Benefit Expedition** is for active, adventurous adults with the motivation to make it happen. Most of our climbers have never done anything like this before. We provide the expert guide services and fundraising support...and the opportunity for you to fulfill a dream! If you decide not to make the climb, we've provided a non-climbing tour option for you at no additional cost. Then, you can join the group on the safari and optional Zanzibar extension.

MAKE A DIFFERENCE.

The **Kilimanjaro/Safari Benefit Expedition** is a fundraising event, supporting the Religious Teachers Filippini. Each participant may do their own fundraising for up to the complete cost of the trip. **All** profits (for tax purposes, 40 percent of the trip price) will be donated to the Religious Teachers Filippini, who provide an education to women and children in some of the poorest countries in the world.
