

Want to do more? Join us for the Optional Zanzibar Extension!

THE BEACH – ZANZIBAR

After climbing the mountain and driving across the African plains, you can join us for the optional 4 day/ 3 night Zanzibar extension. Zanzibar is a part of Tanzania, so you will not need a separate visa. Said to be the best-kept secret in the Indian Ocean, with its fascinating historical Stone Town and magnificent beaches, Zanzibar is also renowned for its incredible diving.

If you decide to join us, we'll fly from Kilimanjaro airport to Zanzibar. We'll stay at the Matemwe Beach Village, a comfortable guesthouse located on the northeast coast of Zanzibar. The simple makuti-thatched lodge and bungalows are situated along a gloriously long strip of palm-fringed, white sand beach. The main lodge has comfortable living areas, friendly staff, and a very sociable atmosphere. There's also a cozy pub where you can relax and enjoy local beers, fresh fruit juices, or cocktails.

Matemwe Beach has a five-star PADI-affiliated dive operation called One Ocean. They have excellent diving facilities and well-qualified staff.

There's also plenty to keep non-divers occupied! If you ever tire of lazing about on the beach, you can take a cruise in a dhow, snorkel in the lagoon, go fishing with one of the local fishermen in a

ngalawa, bicycle along the beach, or wander about the local village. Known as the Spice Island for the cloves, nutmeg, cinnamon, pepper, safran and many other spices which brought the Sultans of Oman, you may want to add a tour to one of the private plantations. Or, catch a shuttle back into Stone Town, the old city and cultural heart of Zanzibar where little changed in the last 200 years. It is a place of winding alleys, bustling bazaars, mosques, and grand Arab houses.

Matemwe is paradise... a great place to just unwind and relax.
